

**PAUL SAYS**

When operating staplers and nailers it is essential that operators wear proper protective equipment such as gloves and goggles. See our PPE (Personal Protective Equipment) Section pages 411, 416 and 417 for the range and ordering information

**HAND-OPERATED STAPLERS AND TACKERS**

For lighter duty and locations where no air supply is available (i.e. events, exhibitions etc.) we have a range of hand staplers for these very occasions. See page 231 for more information.

**air nailer/  
stapler kits**

**1** ASN15-50
