

spot/broadcast sprayers

NEW RANGE

New for 2011/12 our three broadcast/spot sprayers for pest control and weed control. All three can be carried on the back of most ATV's (All Terrain Vehicles) used in agriculture and smallholdings.

All three come with the usual Draper technical back up and spares availability.

DAVE SAYS

These spot/broadcast crop sprayers are manufactured from tough chemical resistant polymers making them ideal for use with pesticides and herbicides. For safe usage, always refer to the specific instructions supplied with these potentially hazardous substances.
